**Presentation: FY 2004 CSHGP RFA Conference**  
Michael Zeilinger, Division Chief  
Office of Health, Infectious Diseases and Nutrition  
**September 8, 2003**

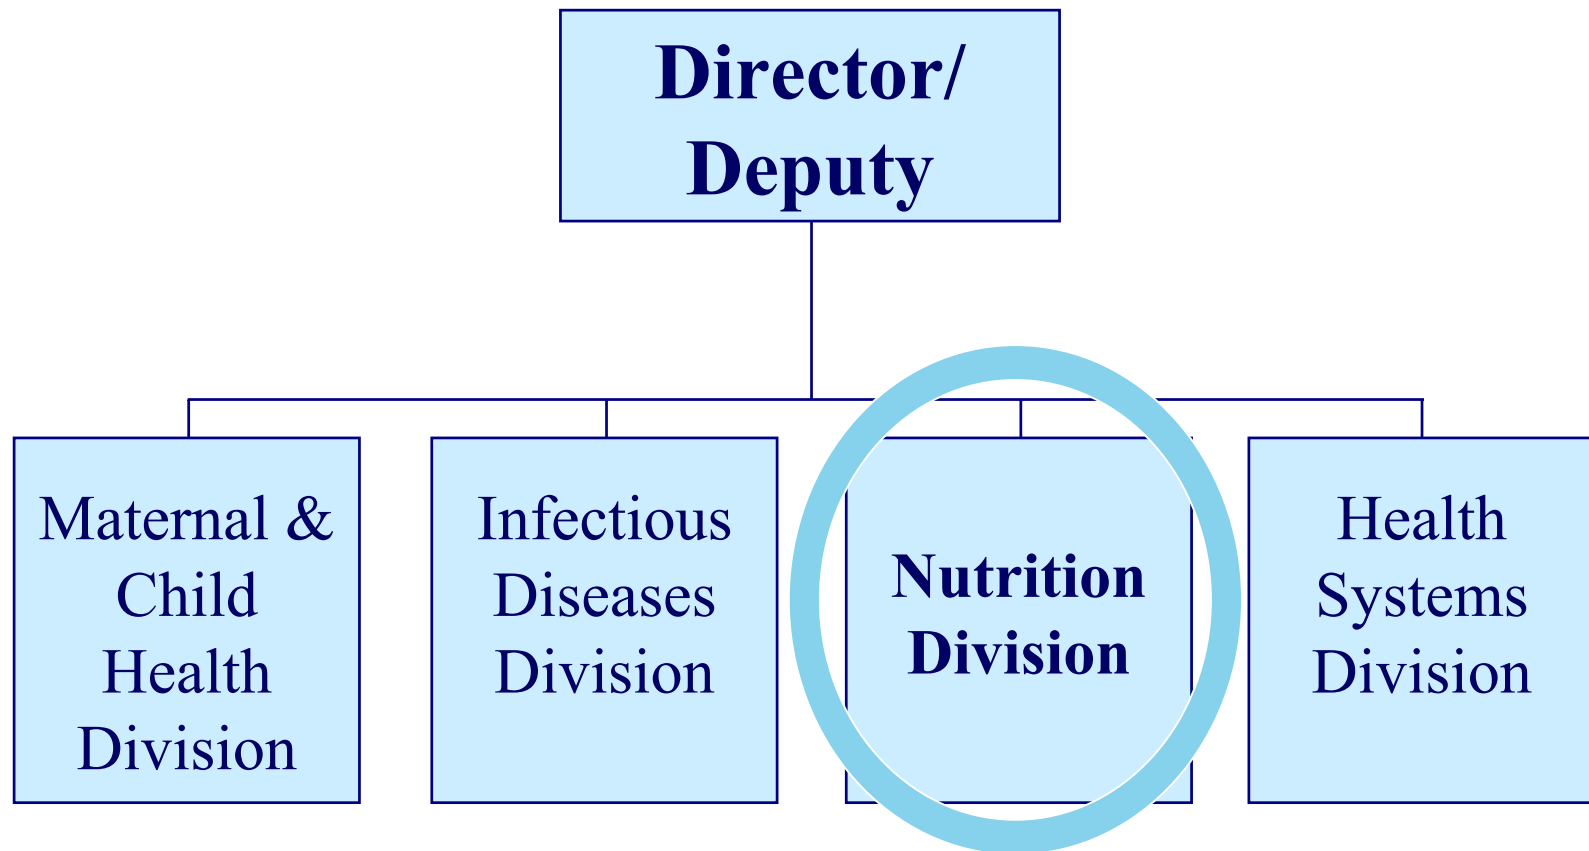

# USAID Organizational Structure

# GH Organizational Structure

# Office of Health, Infectious Diseases & Nutrition

# PVOs are Key Partners for GH

- GH's PVO programs include:
  - CSHGP
  - Flexible Fund Initiative, OPRH
  - PVOs as partners on GH CA programs
  - HIV/AIDS programs including Community REACH and CORE Initiative

# PVO Programs are Critical to Achieving GH's Objectives

- Focusing on delivering quality services, especially proven, cost effective interventions
- Expanding their geographic scope and coverage
- Having policy and programmatic impact on local organizations and governments
- Forging strong links with Mission programs

# PVO Programs are Critical to Achieving GH's Objectives, con't

- Integrating services at the community level  
(including FP and HIV/AIDS)
- Testing innovative strategies and conducting  
operations research
- Closely collaborating with the global health  
alliances (GAVI, GFATM, RBM)

# *The Child Survival and Health Grants Program Team*

Welcome to the
